Top 3 Box Trucks at Online Salvage Auto Auctions

Wednesday, November 29th, 2023

Online salvage auto auctions provide an excellent opportunity to acquire various vehicles, including box trucks, at highly discounted prices. With a plethora of options available, choosing the right box truck can be challenging. Box trucks are renowned for their versatility, serving purposes such as delivery, transport, and storage. This article aims to guide you through the top box trucks to consider in online truck auctions.

Ram 4500 Chassis Cab

The Ram 4500 Chassis Cab secures the top spot on our list, offering compelling features and capabilities. Powered by a robust 6.4L HEMI V8 engine, this truck boasts 410 horsepower and an impressive 429 lb-ft of torque. With a maximum towing capacity of 19,780 pounds and a payload capacity of 7,680 pounds, the Ram 4500 Chassis Cab stands out for its exceptional performance. The standard trim includes a 6-speed automatic transmission and rear-wheel drive, with the option for a 4-wheel drive trim.

Isuzu NPR-HD

The Isuzu NPR-HD completes our list as a heavy-duty commercial vehicle featuring a 4.8L turbocharged diesel engine paired with a 6-speed automatic transmission. With a power output of up to 215 horsepower and 452 lb-ft of torque, the Isuzu NPR-HD demonstrates impressive capabilities. It has a maximum towing capacity of 12,000 lbs and a payload capacity of 6,825 lbs. Available in standard cab and crew cab configurations, the Isuzu NPR-HD can be upgraded to meet diverse needs.

Conclusion

In conclusion, these are just a few examples of the reliable and efficient box trucks available in online salvage auto auctions. These auctions feature salvage box trucks for sale at remarkably low prices, providing an opportunity for buyers to acquire quality vehicles with significant cost savings. Whether you prioritize power, towing capacity, or versatility, these top box trucks offer a range of options to suit your specific needs.
